About our homes

Our homes are in ideal locations, close to shops and restaurants, and accessible. We value privacy, comfort, and safety, so each property is regularly audited and maintained. In each living accommodation, you will find amenities such as a modern kitchen, open plan living areas, heating, and air conditioning. After choosing your dream home and flatmates, you can also count on 24/7 professional care and support.

Thanks to our open living spaces, outdoor space, and state-of-the-art facilities, you can spend valuable time with your peers – and build long-lasting memories.

Our Values

Our main aim is to build an inclusive society where people can live the life they choose. We will act with honesty and integrity by doing what we say we would do. Equality and social justice are important to us. We are committed to continual growth and improvement by listening and learning from the individual themselves. We recognise differences, strengths and abilities.
